Library Hours: Fridays 2:00–4:00 and 7:00–8:00 P.M.
Circulation: 3,304
Total Book Collection: 3,135
New Books: 53

A limited budget makes it difficult to keep the Library operating on a competitive basis with other libraries. However, every effort is being made to provide patrons with latest editions of reading material with emphasis put on reference books which will aid students in their homework and special projects.

Careful consideration is also given to adult reading. Both fiction and non-fiction of good quality is available. If requested books are not on our shelves they may be ordered through the State Library.

Respectfully submitted,
Doris Jackman, Librarian

REPORT OF THE POLICE DEPARTMENT

Payments to Officers:

Emerson Heald	$160.75	
William Blake	260.07	
John Duffy	109.58	

Equipment and Supplies Purchased

Portable two-way radio	501.00	
Mobile Public Address System	160.00	
Installation of Radio &P.A. System	35.00	
Two .38 Cal. Pistols	50.00	
Two Holsters	7.00	
Two sets of Handcuffs	11.00	
Car Repairs (Parts)	23.50	
Shirts, Patches, Cuff cases, caps, raincoat, whistles, etc.	66.69	
Three Rotating Blue Lights	88.65	
Total Expenditures		$1,473.24

Activities:

Cases in Court	2
Juveniles turned over to parents	37
Accidents investigated	29
Messages delivered	11
Breaking and Entering Cases	8
Calls received	171
Total Activities	258

During the months of January, February, November and December the Police Officers did not draw any compensation in order to keep the total police expenditures under $1,500.00.

Officers William Blake, John Duffy, Emerson Heald and the Police Commission felt that the purchase of about $900.00 worth of essential equipment was important for a more effective department.

Respectfully submitted,

THE POLICE COMMISSION

FINANCIAL REPORT OF THE FOREST FIRE WARDEN

Equipment Maintenance	162.07	
Truck Insurance	399.00	
		$2,886.33

The Auburn Fire Association maintains 4 Red Phones and someone is available at *ALL* times to take your call. To report a fire call 3-2521. In less than 2 minutes men and equipment will be on the way to help you. Three trucks carrying over 8 tons of water respond to all fires in town. These three trucks have a total pumping capacity of 2,000 gallons a minute with sufficient hose to get water to any fire in town.

Please write in the first page of your telephone directory under *Fire* 3-2521.

Meetings of the Fire Department are held on the first Monday of every month at the Fire House. The Volunteer Fire Department responded to 30 calls this year.

Executive Committee
Edward T. Sargent
James Trombly
Cedric Preston

The Visiting Nurse Association of Manchester

194 CONCORD STREET — MANCHESTER, N. H. 03104
TELEPHONE 622-3781

The services of the Visiting Nurse Association are available for all of the residents of Manchester, Auburn, Bedford, Candia, Goffstown and Hooksett regardless of race, creed, or ability to pay. The Association is a home health agency certified to care for Medicare patients.

The Visiting Nurse provides bedside care and treatment according to the directions of the patient's physician. She gives the supervision and therapy that are needed for the rehabilitation of the patient. Instruction in maternal and infant care during pregnancy and after the baby comes is another important service.

The Visiting Nurse is also a health teacher who gives family health guidance.

Mrs. Ethel Partan, R.N. made 41 visits to 10 families in Auburn since the United Fund initiated this service in April 1966.

The physician, patient, family, or friend may call the Visiting Nurse Association for service. Call 622-3781, Monday through Friday, 8-4:30 p.m., 194 Concord Street, Manchester, N.H.

REPORT OF HEALTH OFFICER

Three complaints of inadequate sewage disposal facilities were received and have been corrected to comply with the Town Building Code and State Health and Welfare Department requirements.

Sewage disposal facilities in five new houses have been inspected and approved for F.H.A. Mortgage Loans.

One case of head lice reported by School Nurse.

No Communicable diseases were reported to this office.

David F. Lindahl
Health Officer

TOWN WARRANT

BUDGET

State of New Hampshire, hereby petition the Selectmen of said Town to plow and maintain the following roads situated in that part of Auburn commonly known as Sun Valley Estates; Sun Valley Road, Peach Tree Road, Huntington Road, Apple Tree Road, Pine Tree Road, Oak Tree Road and Birch Tree Road, and to take whatever action may be necessary for said acceptance, including the inclusion of said petition in the warrant for the annual town meeting.

Annette R. Guillemette	Nancy Clow
Elizabeth L. Masdea	Marguerite Gramatikas
Ferne G. Merullo	Ronald Perley
Frederick T. Flattery	Henry A. Dionne
Robert G. Harnum	Kathleen T. Dionne
Robert S. Belanger	John R. Amidon
Victor Clow	Marguerite M. Amidon

Eleventh: To see if the town will vote to change the name of Cat Path to Deerneck Road. (By Request)

Twelfth: To hear the report of the Budget Committee and act thereon.

Thirteenth: To transact any other business that may legally come before the meeting.

Given under our hands and seals this Twentieth day of February A. D. 1967.

Albert H. Bourque
Russell Dutka
Roy W. Davis
} Selectmen of Auburn

A true copy attest:

Albert H. Bourque
Russell Dutka
Roy W. Davis
} Selectmen of Auburn

BUDGET

SCHOOL WARRANT

THE STATE OF NEW HAMPSHIRE

To the Inhabitants of the School district in the town of Auburn, New Hampshire qualified to vote in district affairs:

You are hereby notified to meet at the Auburn Town Hall in said district on the 14th day of March 1967, at 10:00 o'clock in the forenoon, to act upon the following subjects:

By vote of the School Board the polls will remain open from 10:00 o'clock in the forenoon until 7:00 o'clock in the afternoon, and as much longer thereafter as the district, at the opening of the meeting may vote.

1. To choose a Moderator for the coming year.
2. To choose a Clerk for the ensuing year.
3. To choose a Member of the School Board for the ensuing three years.
4. To choose a Treasurer for the ensuing year.
5. To choose an Auditor for the ensuing three years.

Given under our hands at said Auburn this 12th day of February, 1967.

C. Donald Stritch
Joseph R. Higgins } School Board
Harland W. Eaton

A true copy of Warrant—Attest:

C. Donald Stritch
Joseph R. Higgins } School Board
Harland W. Eaton

SCHOOL WARRANT

STATE OF NEW HAMPSHIRE

To the Inhabitants of the School district in the town of Auburn qualified to vote in district affairs:

You are hereby notified to meet at the Auburn Village School All-Purpose Room in said district on the 17th day of March 1967, at 8:00 o'clock in the afternoon, to act upon the following subjects:

1. To hear the reports of Agents, Auditors, Committees, or Officers chosen, and pass any vote relating thereto.

2. To see what sum of money the district will raise and appropriate for the support of schools, for the salaries of school district officials and agents, and for the payment of statutory obligations of the district.

3. To see if the district will vote to authorize the school board to make application for and to accept on behalf of the district any or all grants or other funds for educational purposes which may now, or for the ensuing year, be forthcoming from the United States Government or from the State of New Hampshire.

4. To see if the district will vote to authorize the school board to accept, in the name of and in behalf of the school district, gifts for the use of the school.

5. To see if the district will vote to accept the provisions of Public Law 89—10 designed to improve educational opportunities with particular reference to children of low-income families, and to appropriate such funds as may be made available to the district under said Federal Act for such particular projects as may be determined by the school board. Further, to see if the district will authorize the school board to make application for such funds and to expend the same for such projects as it may designate.

6. To see if the school district will vote to appropriate the sum of $8,000. for the purpose of purchasing library books and supplies. Such monies to come from the earned interest derived from investing the school construction bond money.

7. To see if the school district will vote as follows: The Auburn Village School was constructed with the understanding that the school would be open for use to the citizens of Auburn, charitable and civic groups of Auburn, free of charge at all reasonable times.

8. To transact any other business that may legally come before said meeting, including the appointment of legal committees.

Given under our hands at said Auburn this 15th day of February 1967.

REPORT OF THE SUPERINTENDENT OF SCHOOLS

To the school board and citizens of Auburn I hereby submit my 4th annual report as your Superintendent of Schools.

New Assistant Superintendent of Schools

Mr. Bernard Ellis was elected to the position of Assistant Superintendent of Schools as of July 1, 1966 to fill the vacancy created when Mr. Ira Stickney resigned in February 1966 to assume the position of Consultant in the Division of Administration with the New Hampshire State Department of Education in Concord, N.H. Mr. Stickney will deal in problems of school construction, reorganization and school administration problems. His service to Supervisory Union #10 was much appreciated, and we wish him success in his new position.

Mr. Ellis originated from the Keene, N.H. area where he attended the local schools and graduated from Keene State College. He taught and held administrative and supervisory positions in Connecticut for more than ten years. Mr. Ellis holds advanced degrees from University of Connecticut and University of Hartford.

Growth

The fact that we live in a growing community is now quite well established but the amount of the growth yet to come is still subject for speculation and will no doubt overshadow anything we can imagine at the moment.

Some factors that researchers have brought to light for our consideration are:

1. The population of the United States will more than double during the period 1960 to 2000.
2. The population of the world will more than double during the same period.
3. Medical Science will continue to increase life expectancy of a person living in the United States.
4. Technology will continue to affect the work week and job opportunities.
5. Mobility will continue to be a way of life.

6. Interdependence among various regions of the country and various parts of the world will continue to grow.

7. The population of New Hampshire is expected to nearly triple over the next 60 years. Reduction of the birth rate on a national scale has led to revision of the total population increase for New England. However, New Hampshire has witnessed a larger total population increase than predicted by the 1960 census. Immigration is expected to more than overcome the decline in natural increases and continue New Hampshire's trend.

The problem of providing quality education will increase in difficulty as the population continues to grow.

The impact of expanding costs of education is keenly felt by the home owner. I feel strongly that other sources of taxes must be explored in order that the property owner will be able to share the heavy burden of education costs and also provide for the many other civic improvement demands that a growing town needs.

The School Board, School Building Committee and citizens of Auburn can be very proud of the new addition that came into being thru a great cooperative effort.

Even more pleasure can be derived from expanded curriculum that can now take place inside the new construction. The science room is one of the best equipped Junior High rooms in the state. The Multi-purpose room with stage will allow many large group activities, such as physical education, large group instruction and movies, plays and skits, music programs and many others. The classrooms are large, well-equipped learning stations and the library, although small, will be a most important area for the curriculum to be explored and expanded.

The foreward-thinking school board and building committee included expansion into the building plans so when the school population increases to the next stage, more classrooms may be added over the present classrooms thus bringing the present school plant to a total of 20 rooms.

The growth of Auburn after the next addition may indicate a new school in a new location.

I believe that the critical areas ahead will be in

1. Secondary or High School education.

2. Attracting and holding the best possible teachers, as this is the most important and most meaningful area for the education of Auburn children.

I wish to express my sincere appreciation to the school board, school building committee, principal and staff of the Village School and to the citizens of Auburn for their help in educating the youth of the town, "our most important asset".

Respectfully submitted,

Robert W. Dolph
Superintendent of Schools

REPORT OF ASSISTANT SUPERINTENDENT

It is my pleasure to hereby submit my first Annual Report to the people of Auburn.

Having assumed my duties as of July 1, 1966, it is only possible to make general comments concerning your school.

Of particular interest to the town should be the new addition to your school. This addition has enabled the staff to broaden the curriculum for the children of Auburn. These changes include the following:

1. A science laboratory that is one of the best in this state on the elementary level
2. Central school library
3. Expanded Physical Education program.

The curriculum project has selected consultants who will work with each committee from time to time during the study. Mr. Howard Beatty, from Newton, Mass., will work with the Social Studies group and Dr. Richard Chambers, from Boston University, will work with the Language Art Committee. It is the aim of these committees to develop a curriculum that is designed for the students and teachers of Auburn.

A pilot-testing program from Science Research Associates was conducted at the seventh grade level this fall. The information derived from these tests proved to be most useful to the teachers and administration. This testing program will be broadened to include a greater number of students starting in October 1967.

As a growing community, we are faced with the usual problems of additional space, and expanding educational program. However, with our interested townspeople and dedicated school board, progress is being made towards an excellent educational program for our students.

I would like to thank the citizens of Auburn, the School Board, Mr. Dolph and the members of the staff for making the return to New Hampshire a pleasant experience for my family and myself.

Respectfully submitted,
Bernard J. Ellis
Assistant Superintendent of Schools

REPORT OF THE PRINCIPAL

To the School Board, citizens of Auburn, N.H. and the Superintendent of Schools, I hereby submit my first annual report as Principal of the Auburn Village School.

When our doors opened in September for the school year 1965-66, there was not enough classroom space available in the Village School. As a result, a second grade class and a combination third and fourth grade class were housed in the Town Hall.

The school enrollment fluctuated from 285 students in September to 300 in December and back down to 289 students in June of 1966.

The staff of the Auburn Village School has worked very hard this year to implant many and varied improvements within the curriculum.

Modern Mathematics is now being taught in grades one through four and in grades seven and eight as well. This program will enable our students to compete in a modern world.

The reading program has been enriched to the point where all students in grades one through six are using the newly revised reading textbooks in the Scott Foresman series.

Approximately $4,000.00 was spent for reading equipment and a remedial reading teacher. This program was made possible with Federal monies under Title I of the ESEA Act of 1965. Some materials purchased with these monies include an overhead projector, tape recorder, tachometer, filmed reading lessons, basic vocabulary film, language master and various other teaching aids. Reading is of the utmost importance and these materials will help by offering a variety of techniques in the teaching of reading.

Approximately $1,400.00 was spent in the area of speech therapy. These monies were also made available through the Elementary and Education Act of 1965. The money was used for basic equipment and a speech therapist. This program was carried out on a union basis under the direction of Mr. Robert Dolph, Superintendent of Schools.

The union curriculum committee was established to study and write curriculum guides in the areas of Social Studies and the Language Arts. This committee will resume its studies next year.

A physical education program was conducted in the fall and spring, weather permitting. All eight grades participated in this very popular program.

Miss Sweeney coached the girls' softball team which went undefeated for a very successful season.

The boys' baseball team, coached by Mr. Gradual, also had a successful season with a record of seven wins and three losses.

A group of approximately ten boys comprised the Auburn basketball team which although not being successful in regards to wins and losses, did have an enjoyable time under the direction of Mr. Gradual.

During the school year the student in grades one through four participated in a hobby show sponsored by the P.T.A. and the students in grade five through eight participated in a science fair. Other activities enjoyed by the students included trips to the following places of interest:

State House, Concord, N.H.
Turner's Dairy, Salem, N.H.
Mystery Hill Caves and Canobie Lake Park, Salem, N.H.
Benson's Wild Animal Farm, Hudson, N.H.
Bear Brook State Park
Boston Museum of Science
Post Office, Auburn and Manchester, N.H.
Cote's Bread Manufacturers, Cott Bottling Company,
Fire Station, Grenier Air Base, Manchester, N.H.
Museum, Auburn, N.H.

The teachers, principal, students and citizens of Auburn are all anxiously awaiting the opening of the new addition to the present Village School. Such a facility will certainly add to the education of the Auburn children.

I wish to take this opportunity to thank the citizens of Auburn, the School Board, Mr. Dolph, the faculty, the cafeteria personnel, the custodian, our music supervisor—Mrs. Kelley, Mrs. Sives, our nurse-teacher, the bus drivers, and the P.T.A. for for their help in making this a rewarding and successful school.

Respectfully submitted,

Peter Kageleiry
Principal

SCHOOL HEALTH REPORT

The role of the school nurse in the school system is often misunderstood and needs clarification.

The nurse is subservient to the requirements of the State Board of Education. She must obtain 30 credits (all required courses) beyond her R.N., at the rate of 3 per cent, or 6 every 2 years. The list of required courses and demands for certification were set up in 1963. Courses, not on this prescribed list, taken by the school nurses prior to 1963, are not valid toward the 30 credits. This means that nurses with many years of experience are working exactly the same as newer nurses toward certification by the State Board of Education.

The school nurse is also on the teachers' retirement system and belongs to the teachers associations as well as the school nurse associations.

Most school nurses do not conduct regular formal classes unless they are accredited to do so, but they are involved with the student in many learning situations and may conduct informal classes as situations arise. The school nurse acts as a consultant and research person for the teacher and is the liaison between the home and the school.

The foregoing may explain why the nurse in the school is called a school nurse-teacher.

The physical, emotional and mental health of each student is the concern of the nurse. Therefore, she must be prepared to meet more than the numerous emergencies of a physical nature that arise. She discusses each child with the teacher, and the parents, when necessary. She must know the many available agencies and resources for the help or treatment necessary for each child. Parents should feel that they can call upon the school nurse for help in any area. This does not include diagnosis or treatment by the nurse, as these are the responsibility of a doctor. The nurse may suggest or recommend. Neither the nurse or a teacher may give aspirin or any other medication unless the child has a prescription medicine. In this case the parent should call the nurse and discuss arrangements for the dosage and the time to be given. Parents are advised to confer with the teacher or nurse whenever a child is taking any type of medication, including tranquillizers. The best learning takes place when an environment most suited to the child can be provided with complete knowledge of the individual child.

The more familiar aspects of the health program include the testing of vision, hearing and tuberculin testing. A dental program, sponsored by the P.T.A., provides a budgeted amount of dental care to those children needing it. In conjunction with this program the state dental hygienist provides aids and material to the teachers for dental instruction. Immunization clinics through the State Department of Health are held as often as possible with the school nurse working in cooperation with the district nurse. Any referrals resulting from the testing program may be discussed with the nurse, and help is given when sought by the parent.

All cases of communicable disease should be reported to the school as it is an aid to the nurse and other parents in watching for symptoms during epidemics. A child must stay out of school a minimum of seven days with all communicable diseases except German measles, in which case five days are sufficient. He does not need a certificate to return to school at the end of that time but must be free of all symptoms. In cases of skin diseases such as impetigo and ringworm a doctor's certificate is required in order to return to school. Only a doctor can determine when these are no longer contagious.

The support and cooperation of all parents is necessary to maintain a healthy school environment. This is our primary concern as it is essential as a basis for better learning.

Respectfully submitted,

Rae Sives, School Nurse-Teacher

REPORT OF THE SPEECH THERAPIST

To the Auburn School Board and the Superintendent of Schools:

A Speech Therapy Program has been organized and instituted with Title I Federal Government Funds provided for Supervisory Union #10 in elementary schools in Auburn, Derry, Londonderry, and Windham.

This program has been in existence since February, 1966 and until June of last year five graduate students of Speech Pathology were employed on a part-time basis for this School Union. During this time approximately 100 children were seen for one-half hour weekly in a small group or individual session.

A seven week summer program followed providing more extensive service for the children and allowing considerable parent participation. Approximately 40 children attended, usually twice to three times weekly.

The program has continued for the 1966-67 school year but because funds have not been available, a full day of this program has been eliminated. More extensive services are now needed in these areas as the population is so rapidly expanding.

Respectfully submitted,

Diane Wood
Speech Therapist
